

MINISTRY POSITION

WEB ARCHITECT

Time Commitment	Unspecified
Extra Commitment	Team meetings, offsite work, and fellowship.
Synopsis	The web team is to create a “virtual” creative extension of Rockpointe Community Church for the world to see. As time goes on we would like to incorporate more of Rockpointe on our website. The team will need to work together sharing responsibilities of the design and will be guided by the tech director.
Skills	HTML, Dream Weaver, Fireworks, Go Live, Adobe Photoshop, etc...
Training	As needed...most learning/training will happen within group meetings as we learn from one another.
Responsibilities	Create, update, or completely redesign Rockpointe website(s).
# of Positions	Unspecified
