

ROCKPOINTE COMMUNITY CHURCH

Dear Rockpointe Family:

Please click the image below for a video greeting and update from Rockpointe Lead Pastor Randy Tomko!

As Randy mentioned in his video greeting, the **Returning Home** survey includes questions about your current thoughts regarding returning to on-site church activities as the state slowly emerges from COVID-19 restrictions. It is most helpful for us if it is completed by current active attendees of Rockpointe Community Church. If that is not you, feel free to skip the survey!

You can access the survey [HERE](#). It will be available until next Friday, June 5.

We appreciate you taking the time to share your thoughts with us as we plan to resume on-site activities. Please know that while we look forward to seeing you in person, we are exercising caution. You are too valuable to us to do anything less! Our decisions now focus on reconvening or gathering together again in a way that honors both Christ and the community.

Grace and Peace,

Laura Edghill
Communications Director
Rockpointe Community Church
