COVID-19 UPDATE: 3-24-20

Dear Rockpointe Family,

It was such an encouragement to “see” so many of you again on Sunday for our livestream. We plan to continue using our YouTube channel, so if you haven’t done so already, please subscribe at www.bit.ly/RockpointeYouTube. AXIOM student ministry has shifted to AXIOM+ and can be found at www.bit.ly/axiomplus. You can still find us on [Facebook](#), especially for [Family Life Ministry](#) postings like the Sunday Service videos that so many of you have been watching these past two weeks.

As most of you are aware, on Monday the Governor issued a state-wide order to stay home except for necessary activities like shopping for groceries, important medical appointments, etc. There are NO scheduled on-site events at Rockpointe Community Church at this time.

Due to the unfolding situation, as of Monday, March 30, Handprints Christian Early Learning Center will suspend operations until further notice. Handprints team members have already been informed that pay will be provided through the month of April. It is our absolute intention and firm belief that Handprints will reopen in the near future.

That does not mean, however, that ministry is suspended!

The governor’s order still gives freedom for churches to engage in vital ministry such as delivering groceries or other essential items to those in need, assisting with emergency home repairs, or other urgent issues that might arise during this time.

The Rockpointe office, while operating with limited personnel on-site continues to remain open to take your phone calls and respond to your inquiries. We have adjusted those hours to 9AM-3PM Monday through Thursday.

We know that some of you would like to help others in need, and we know that some of you might be in need of help. We've established www.rockpointe.org/help to facilitate both groups. When you visit the page, you can select either "I want to help" or "I need help." Fill out the form and our team will follow up with you. Our goal is to match resources with those who need them, serving as the hands and feet of Jesus during this critical time.

Also, we realize that many of you want to connect, and we are working to develop online prayer and devotional content. We also encourage you to email us at prayer@rockpointe.org so we can share your prayer requests with our team.

As challenging as this moment in history has become, it is also an incredible time to be a follower of Jesus Christ. The church was made for adversity!

It is in moments like this, "when all is stripped away" that the hearts and minds of people become open to the things of God. Let us continue to seek ways during this time to encourage and love one another and share the love of God to a world in desperate need of a Savior.

Grace and Peace,

Randy Tomko
Lead Pastor, Rockpointe Community Church
