

ROCKPOINTE

COMMUNITY CHURCH

Dear Rockpointe Family:

As promised, here's an important message from Lead Pastor Randy Tomko regarding our plans to resume on-site services!

So in summary, we invite you to join us for a very special **Call to Worship next Wednesday, July 8 at 7:30 p.m.** The entire event will be outdoors, so bring your blankets and chairs. **Masks are optional due to the fact that we will be outdoors, but social distancing will be required.** Depending on the number of people present, this may mean that you find yourself on a limited or no-view portion of the lawn. The parking lot row next to the sand volleyball court will be reserved for those who would like to attend but remain in their vehicles. No registration is required.

We are requiring registration for on-site Sunday services, which will resume on Sunday, July 12. Beginning next Wednesday, July 8, we will email out the upcoming Sunday's registration link. Please register ahead of time, as we cannot guarantee building capacity for walk-ins! The online registration will give you four options: 9 AM Sanctuary, 9 AM Atrium (video feed), 11 AM Sanctuary, 11 AM Atrium (video feed). Simply follow the instructions in the registration process to reserve your spot. We will also post the registration link weekly on Wednesdays at www.rockpointe.org/register. We recommend bookmarking that page of our website so you can access it easily. **Masks are required for Sunday services, as well as social distancing. Capacity is limited, but our recent survey results told us that you are a very flexible group. Please be ready to select a back-up option if your first choice is not available, and please only register those from your household you know for sure will attend.**

At this time, we are not offering separate Children's Ministry programs on-site, so any children who attend will sit with their families for services. Pastor Jeff and Miss Angie will continue to produce weekly video content for children that premieres every Sunday at 9 AM on [Facebook](#). The Porch Cafe is closed for now, and while the building restrooms are available, we ask that you reserve their use for urgent needs only. We also ask that you stay home if you are ill. Our goal in re-convening is to encourage one another, not to spread unwanted infection.

Like you, we look forward to gathering in person, but we also know that some of you will continue to participate via our 11 AM [livestream](#). We are committed to maintaining that vital option for you. We remain encouraged by your faithfulness and ask that you keep our team in prayer as we prepare for you!

Grace and Peace,

Laura Edghill

Communications Director
